

# BE A VOTER!

The Kentucky Democracy Project is a campaign started in 2020 to register, educate, and mobilize Kentucky voters to participate in the election and beyond.

As Kentuckians, we can work together to build a healthy democracy where everyone has a voice and a vote.

## 2022 ELECTION

Register to vote by  
October 11!

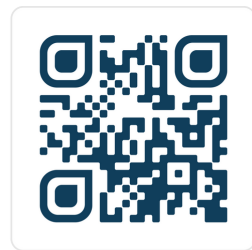

**ELECTION DAY**

# #FreedomToVote

We believe ALL Kentuckians should have the freedom to vote.

Nearly 200,000 Kentuckians with felonies in their past got their right to vote back, but most have not been informed.

If you have a felony in your past, your voting rights may have been restored. We're here to help!
